

Application No. 10/662172
Amendment dated Feb 22, 2006

Docket No.: 95756US1

AMENDMENTS TO THE SPECIFICATION

At page 11 of the specification, at line 24, immediately before the sentence "Figure 22c shows RTCHS at the first onion-peeling produced by MCHT.", kindly add the following paragraphs:

Figures 19a and 19b show primary and secondary correlograms.

Figure 20 illustrates target traces for target A and target B in primary and secondary correlograms.

Figure 21a, 21b, 21c, 21d, 21e, and 21f show the results of an Additive Composite Hough Transform (AHT).

Figure 22a and 22b show the results of the Multiplicative Composite Hough Transform (MCHT).
